TO WHOM IT MAY CONCERN:

I am extremely pleased to recommend Rusty Craig of **Rusty's Mobile Catering** for your business or personal catering needs. Rusty is a top-notch caterer who has covered several special events for our company. My favorite buffet item is his Beef Roast with au jus and the Shrimp Cocktail. Rusty has also prepared food for me personally for family events. The food has always been of the best quality and I always receive rave reviews from family and friends for his Bar-B-Cue and Loaded Potato Salad.

Rusty has been in the foodservice industry for many years, combining his sales, marketing, cooking and catering skills to create quality food, excellent service and extremely delicious menus to fit any occasion. He is very aware of current food trends and can plan and cater your event so efficiently that all you need to do is show up, relax and enjoy. He is a caterer committed to quality and will customize and plan every event to fit your needs, tastes and budget. From upscale events to home-style back yard Bar-B-Cues, Rusty's Catering does a superb job. Without a doubt Rusty and his staff provide excellent quality catering along with honest, friendly and professional service.

I compliment Rusty and his staff for the outstanding service they provide. It is their commitment and dedication to excellence that has caused their business to be so successful. I would recommend Rusty's Mobile Catering without hesitation.

Sincerely,
